

## SEVERE WEATHER POLICY

In the event of severe weather, it shall be decided by both the horse show management and Beyond Stable Farm management, whether to delay, halt, or alter in any way, the horse show schedule.

Severe weather being defined as - strong winds, extreme rain, thunder and lightning present, and tornado watch/warning.

Shelter for extreme weather consists of the **Bathhouse** and the front of the **Clinic building**. Both these options are built out of cinder block and have no outside windows.
